Community open house set to discuss US-70 Roosevelt Bridge replacement

The Oklahoma Department of Transportation and its partners are hosting a community open house to introduce the teams moving forward with replacing the US-70 Roosevelt Bridge over Lake Texoma and to discuss the effects it will have on the area as well as the timeline. Residents, local businesses and any community members interested in the project will have an opportunity to meet the Zachry Construction and Traylor Bros. team, view renderings and learn more about the construction.

Representatives from ODOT and the project team will be available to answer questions and walk through what the project will involve in the coming years. Informational displays will highlight key elements of the new bridge design and planned improvements. The event is designed as a come-and-go open house, allowing attendees to stop by at any time during the two-hour window.

US-70 Roosevelt Bridge Community Open House
Thursday, April 30
5 p.m. to 7 p.m.
Marshall County Expo Center
11545 US-70, Madill

For more information about the US-70 Roosevelt Bridge replacement project, visit www.rooseveltbridge.com.

ODOT ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, or genetic information, be excluded from participation in, be denied the benefits of, be retaliated against, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients and contractors. To request an accommodation, please contact the ADA Manager at least 72 hours before the event at 405-490-0381 or the Oklahoma Relay Service at 1-800-722-0353. If you have any ADA or Title VI questions, email ODOT-ada-titlevi@odot.org
